

CHPS Account Registration

Enrolling with the Community Health Partnership Services (CHPS) TPA clearinghouse* allows you to verify patient eligibility (270/271 transactions), submit claims (837 transactions), and sign up for electronic remittance advice (ERA; 835 transactions).

To create an account with CHPS, click [here](#) and complete the account registration form.

The following information is required to create an account:

- Your organization or facility name
- Tax Identification Number (TIN)
- Alternate Provider Number (API) or National Provider Identifier (NPI)
 - If enrolling with an API, click on the blue text to open the Alternate ID field:

[Don't have an NPI? Click here to enter an alternate identifier](#)

Alternate ID (ie: UMPI)

Enter your API here

- If enrolling with an NPI, you must use the contact information listed for you on the NPPES registry at <https://npiregistry.cms.hhs.gov/search>. If your contact information is incorrect, contact NPPES at (800) 465-3203 or customerservice@npienumerator.com to have your information updated prior to registering with CHPS.
- Contact details

Once you have set up your account, you can begin verifying eligibility and submitting your claim(s). To receive ERA (835), you will need to sign up separately to view them in the CHPS portal.

If you have any questions, please call us at (800) 709-9901 or email chps_tpa_ta@chpw.org.
